1 Thessalonians 5:1-11

The Day of the Lord is a reference to Christ's return, JUDGMENT, and a reset of the human experience.

Jesus is the final word on God's consistent commitment to extend GRACE and to judge SIN.

1 Thessalonians 5:9-10

The Bible GUARANTEES the return of Christ.

1. The Day of the Lord will END any chance of receiving SALVATION.

Everything in the world has a shelf life simply because the world ITSELF has one.

1 Thessalonians 4:13

2. We STILL live in the light of salvation.

1 Thessalonians 5:4-7

3. During the day, we have been commissioned to PURSUE God's plan of REDEMPTION.

We can never become so obsessed with Christ's return that we ignore what He asked us to do in the MEANTIME.
