

Recognizing how fast time flies and the value these virtues bring to my life and family, by God's grace, I commit to the following:

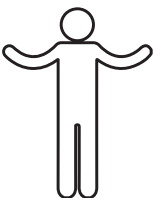

**LOVE:** to anchor my affections in God's love and His Gospel. To love God and love others as He loved me, so that those in my relational world might know and follow Him.

**SCRIPTURE:** to saturated my life with God's word. To submit to and grow under God's instruction so that my thoughts, words and actions agree with His truth.

**PARTNERSHIP:** to maintain a vital connection with God's people. To value the influence of God's family in my life and oikos more than I value the world's, and to do my part to encourage and strengthen that influence.

**FORGIVENESS:** to practice the forgiveness God has given me. To generously and regularly extend and receive forgiveness, seeing failures as opportunities for God's grace to be on display.

# Catch Words

Check off any words you hear, you get 3 points for each!
